## **SETTLEMENT HELPING HEAL INJURED WORKER**

After a workplace accident left a hardworking warehouse employee with a torn shoulder ligament, Attorney David Stern secured a settlement to support his client's healing and long-term well-being.

This settlement will help ease the burden of medical expenses and lost income while ensuring the client can focus on regaining strength and returning to work.

At Stern & Cohen, we are proud to advocate for injured workers across Pennsylvania, helping them secure the

support and compensation they need to move forward with confidence.
